Hi Leihinahina,

Do you have a copy of the mission statement for Mobile Native Hawaiian Health, Inc.? It is part of the

nonprofit application requirements for Legacy Land. If so, please send and I'll forward to the Legacy Land Conservation Commission.

ectProject

Aloha Ms. Schmidt,

Please find attached clarification.

- The note on Page 2 states that DLNR/HP is considering a land trust as a potential holding entity. What entity will purchase the land from the current landowner? If you haven't already, please read Hawaii Revised Statutes, sections 173A-9 and 173A-10, regarding transfers of lands acquired with Legacy Land funds.
